

the smart connection

Nijhuis & Wigger
Flanges and Fittings

“Yes, there is
always a perfect
connection.”

Nijhuis & Wigger B.V. Flanges and Fittings is a professional specialist that supplies a total package of flanges, fittings and pipes.

We concentrate on end users and have a fixed customer base in the (petro-) chemical sector and the oil and gas industry (on- and offshore), equipment construction and the energy sector.

We are also a strategic partner for specialists concentrating on other branches such as the utilities and the shipbuilding sector.

Reliability is the keyword

With our experienced team, we constantly aspire to achieve the highest degree of reliability. This is expressed by clear communication, personal but commercial consideration and interest, thinking together with you towards solutions and alternatives, an optimal supply chain and a positive drive. You will always receive a fast and adequate solution to your questions.

“We are quick
to assist in
the event of
shut-downs
and stops”

In order to reduce losses in the case of shutdowns, you must at any time be able to trust in an adequate solution.
You can!

Delivery based on reliability

The combination of stock-keeping specialist and adviser makes Nijhuis & Wigger the partner for supplying a total package of commodities and specials. Sourcing is also an important part of our expertise. Our delivery programme therefore goes much further than the programme that we have in stock. We have gained a wealth of experience in the course of our existence and we really have seen a thing or two. We will also advise and supply flanges and fittings according to your technical specifications and/or drawing. Nijhuis & Wigger as a “one-stop shop” can offer you a time and cost-saving total package.

“Our
expertise
is at your
disposal”

Make use of our experience, knowledge and speed. This enables us to provide you quickly with the correct advice and products. Time is money after all!

Extensive stock in the warehouse

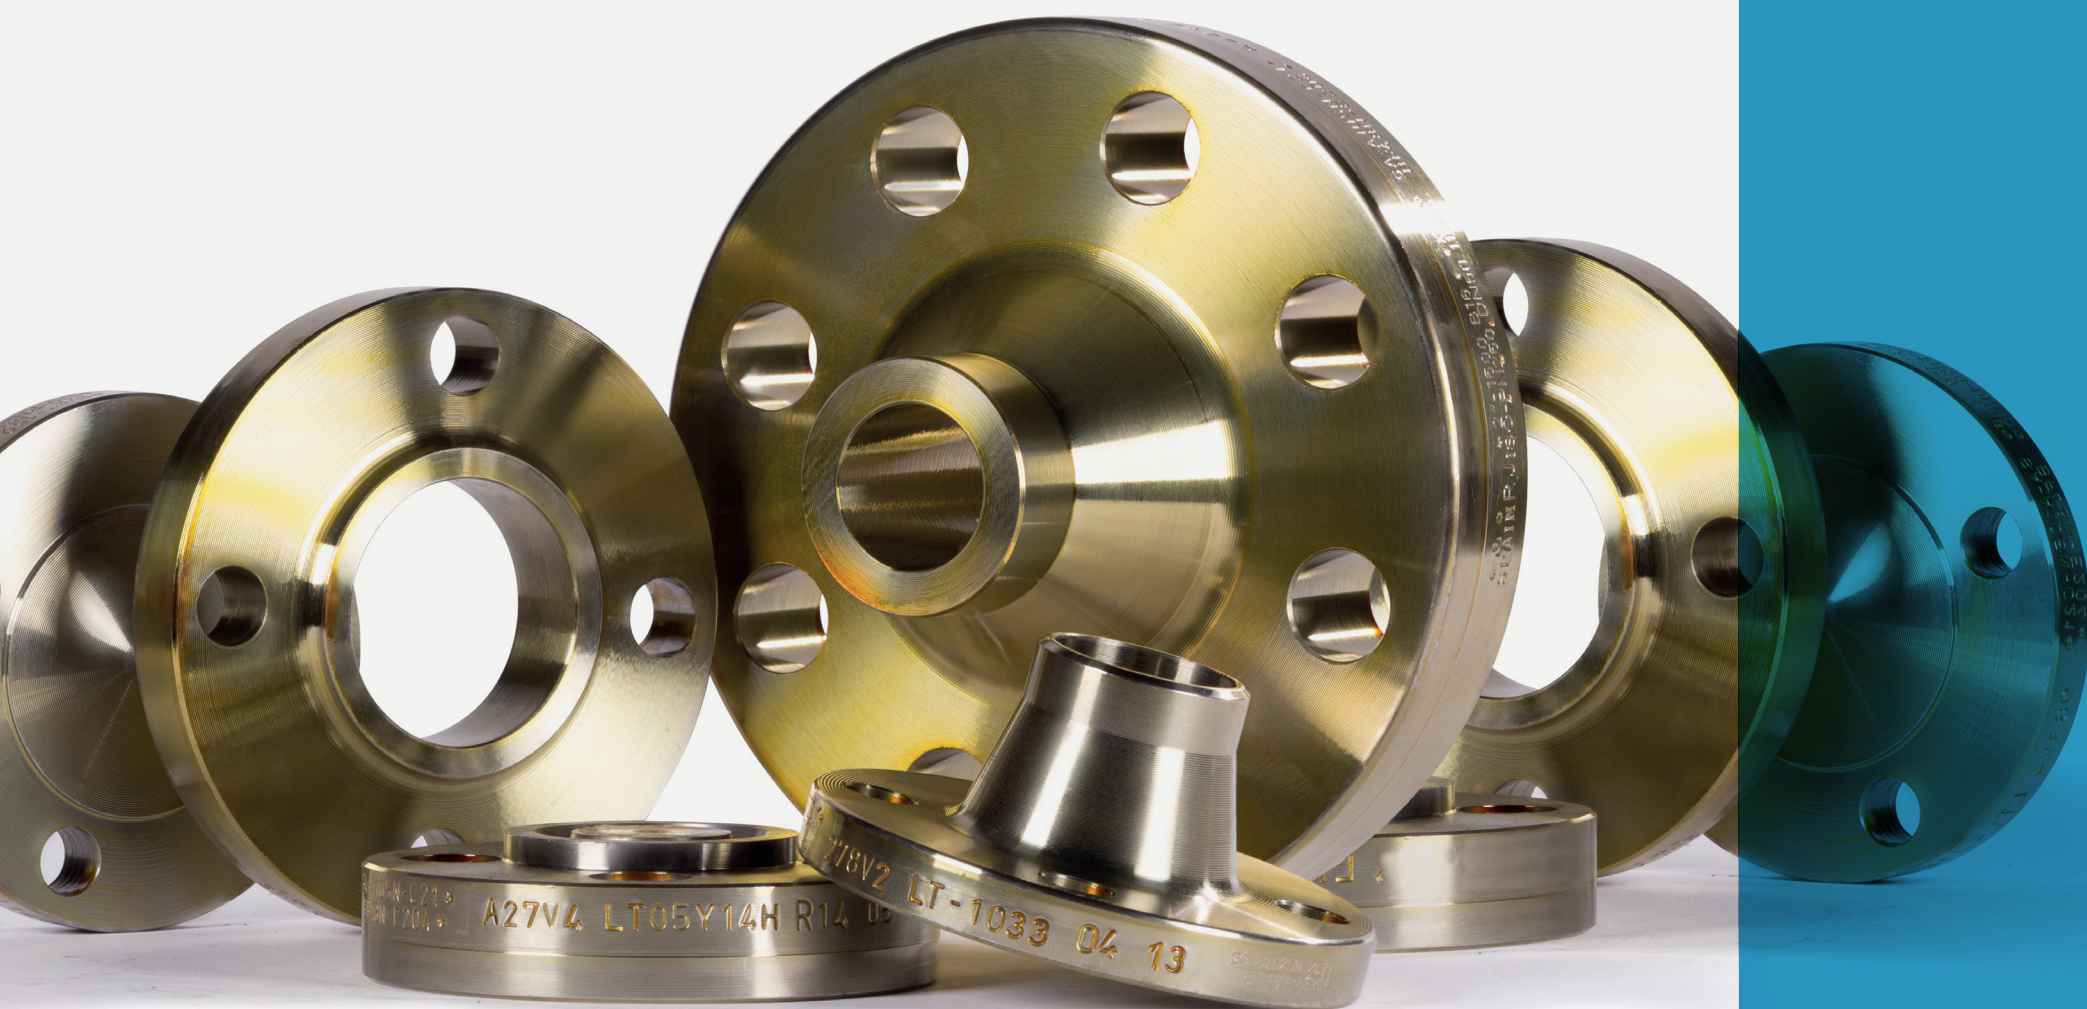

In our extensive warehouse in Oldenzaal, we have a permanent stock of a wide and extensive range of flanges and fittings. You will also find our total supply and delivery programme on our website www.nwff.nl.

Nijhuis & Wigger has been ISO 9001 certified since 1995.

Nijhuis & Wigger has been an Saudi Aramco approved stockist since 2010.
